

GALLATIN SOLID WASTE MANAGEMENT DISTRICT

- ❖ To provide constituents with cost efficient solid waste services
- ❖ To provide for the balanced consideration and representation of the diverse views and issues regarding solid waste management
- ❖ To advocate for the health, safety and welfare of the residents
- ❖ To manage the processing, reclaiming, storing, transporting, or disposing of waste in ways that protect the ecology of lands in the District
- ❖ To identify goals, policies and procedures that will aid local jurisdictions in meeting solid waste reduction and recycling goals.

Please provide a letter of request with the application. Include any documentation/literature (annual report, current financial statement, recycle data, etc.) that will help the District determine if the organization meets Conditions 1-5, as set forth in the Gallatin Solid Waste Management District Resolution 2014-#1, included in the application packet.
