

In cooperation with the Gallatin Solid Waste Management District, our next Fix-It Clinic in Bozeman, Montana, will be held on September 15, 10 a.m. to 2 p.m. at The Salvation Army, 32 S. Rouse, in the Fellowship Hall.

Bring your broken stuff and your clothes that need mending, and we'll fix it for free.

If you have the ability to fix stuff, and want to donate your time, contact me Kelley Murdoch-Billy at The Salvation Army, 406-586-5813. We can also use volunteers to shepherd people around, keep the snack bar stocked, and help set up/clean up.
